

Forest Explorers Pro-D Days

We're excited to start up the Forest Explorers Program again on Sept 5, 2023. We will be picking up children from Pauline Haarer School between 2:25-2:35.

For children doing the graduated entry into kindergarten, we invite you to meet us at the school and join us for the first couple of weeks during this transition. Parents and kindergarten-aged children may drive to the location with us and join us for some of the afternoon.

For Kindergarteners, parents must add Patti Gisborne and Alex Hicks as approved pick ups.
